

Making Our Case.

Prime Windows offers the Series 720 casement, awning and direct set picture windows to compliment our Series 9000. Casement and awning windows add contemporary style and architectural flair to any project.

Features include: Concealed hinge and operating hardware ensures a sleek appearance, maximum ventilation and comfort—casement window opens a full 90 degrees—multi-point locking hardware and beveled exterior frame.

EXTERIOR FRAME COLORS. If you have color in mind, ask for a color match swatch.

GRID PATTERNS. Window grids can enhance the look of your home, from both the inside and out. If you are matching the architectural style of an existing home, or creating a new one, grids can be a valuable design addition.

Energy Efficient. Prime Windows Systems products offer outstanding performance in energy and thermal efficiency ratings. Ask us for details
